Dear Sir/Madam,

24<sup>th</sup> September 2025

We as a Community Council, wish to express a letter of support for the Shetland Community Screening Project. We feel this is a very important and worthwhile project to safeguard the well-being of current and future generations within the Shetland community. The work carried out to date has provided extremely beneficial information for people in Shetland and similar island communities. We hope this letter will help you look favourably on your decision to the funding of this project. We as a community council are fully behind Dr. Wilson and his team.

Yours Sincerely

Niall O'Rourke
